

AMENDMENTS TO THE SPECIFICATION:

Please amend the specification as follows:

Page 1, replace the title paragraph with the following amended paragraph:

METHOD FOR MOLDING ~~A MOLDED COMPOSITE STRUCTURE~~
~~STRUCTURES AND METHOD OF FORMING SAME~~

Page 73, replace the Abstract with the following amended paragraph:

A method for molding ~~molded composite structures and a method of-~~
~~manufacturing a molded composite structure are~~ is disclosed. In one embodiment, an
~~aircraft wing panel and a method for manufacturing an aircraft wing panel are~~ is
disclosed. ~~In another embodiment, the method of manufacturing a molded composite-~~
~~structure uses a resin transfer molding process.~~ In one embodiment, a method may
include preparing a material stack including a core; preparing a resin and a mold;
placing the material stack in the mold; sealing the core; infusing the mold and material
stack with resin; curing the structure; and removing the structure from the mold.
